## EMPLOYMENT HISTORY

### Extracurricular IT Teacher

C.E. Villa de Alcorcón (2019 - 2020)

Office (Excel, Word, Visual Basic, etc.), Mechanography, Basic Programming Skills classes.

### Private Teacher

Alcorcón (2020 - Present day)

I work teaching ESO and Bachillerato students with a wide variety of subjects such as Math, Physics, etc. Also, I teach college students some of the most used technologies, such as Java, SQL, Python, Spring, Javascript, HTML, CSS, etc.

### Internship

VIPERA IBÉRICA S.L. (2021)

3 months involved in full-stack developer tasks.

### Internship

NIELSENIQ (2022)

2 months of internship receiving training in tools used in the company such as QlikView, QlikSense, C, Ajax, etc and carrying out troubleshooting.

## ACADEMIC RECORD

### C.E. Villa de Alcorcón

Bachillerato Certificate (Final Mark 9.5/10)

### Universidad Carlos III de Madrid

Degree in Computer Engineering (Final Average of 7.5 out of 10). Final Degree Project with a grade of 9.7 out of 10.

## INTERESTS AND HOBBIES

I love computing and the vast number of fields it encompasses. Therefore, I really want to learn new knowledge.

I am interested in improving my current skills in leading programming languages such as Python or Java.

In my spare time, I like to go to the gym, play video games and go out with my friends.

## ADDITIONAL DATA

### Languages
